	متن زیر را بخوانید و به سوالات به صورت خواسته شده پاسخ دهید.							
	Suppose that you have a very small vocabulary. Also suppose that you don't know how to get the meanings of new words. When you come across an unfamiliar word, that word may stop your understanding of the passage. Your eyes pause too long on the word as you try to get its meaning. You go back and read the word again, try to get its meaning from the context. As a result, you read much more slowly than you should, and you find that the difficult word is a wall to your comprehension. Suppose that you know many words and you are skilled in finding the meanings of new words. Your eyes move quickly and you read rapidly. You comprehend what you are reading. If you have a good vocabulary, you are more interested in reading.							
	48. What may happen when you come across an unfamiliar word?							
	49. How does having a good vocabulary influence your reading habit?							
	50. What is the closest synonym for the word "suppose"?							
	a. believe b. accept c. understand d. imagine							
	51. Unknown words in a passage may make comprehension easier. a. True b. False							
	52. The meaning of a new word may be guessed from the text. a. True b. False
